 or other type for the use of the blind, may be sent by inland post at
 the following rates:—

For a packet not exceeding 2 lbs. in weight..... $\frac{1}{2}$ d.

For a packet exceeding 2 lbs. but not exceeding 5 lbs.. 1d.

Maximum weight..... 11 lbs. Length..... 3 ft. 6 in.

Length and girth combined..... 6 ft. 0 in.

A parcel should not be posted in a letter box. It should be marked
 "Parcel Post" and presented at the counter of a Post Office.

If a packet bearing the words "Parcel Post," or otherwise marked
 for transmission as a parcel, is not posted in accordance with this
 regulation, it is treated as a letter if it is fully prepaid. If it is not
 fully prepaid at the letter post rate, it will be treated as a parcel,
 and will be charged on delivery with a fine of 1d., together with the
 deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, etc., or knives or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered and suitably packed to prevent damage; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

A parcel known to contain a prohibited article, or a parcel intended for delivery at an address other than that borne on the parcel itself, is liable to be refused.

Parcels addressed to a Post Office to be called for are kept two weeks, at the end of which period, if not called for, they will be returned to the sender, if his name and address are given on the parcel.

Parcels addressed to a ship are kept two months.

Undeliverable parcels which do not contain the address of the sender and are not applied for are liable to be disposed of after three months. Parcels containing perishable articles will be dealt with as may be requisite.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

INLAND CASH ON DELIVERY SERVICE.

Under this system the Postmaster-General undertakes on certain conditions to collect from the addressee the value of an article delivered either by parcel post or by registered letter post (but not by ordinary letter post), and to remit it to the sender by means of a special Order. By arrangement with the Railway Companies the service is applicable also, within certain limits, to consignments sent by rail.

The C.O.D. fees, which are additional to the ordinary postage, vary according to the Trade Charge (*i.e.* the amount to be collected), and are fixed on the following scale:—

Trade Charge not exceeding 10/-.....	Fee	4d.
Do. £1.....	„	6d.
Do. £2.....	„	8d.
Do. £5.....	„	10d.

Full particulars of the service, *which does not apply to postal packets to or from the Irish Free State*, may be obtained at any Money Order Office.

The Postmaster-General will, subject to the rules as to posting and packing, pay compensation up to a maximum limit of 400l. for the loss and damage of Inland Registered Postal Packets of all kinds upon payment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 3d.; and the scale of fees, and the respective limits of compensation are as follows:—

The weight fee in such cases is not charged.

(c) Cycles are used, wherever practicable, for the delivery of Express packets of a size and weight suitable to be so carried.

Replies and Returns.

On the delivery of an Express packet, the delivering messenger may take a reply or perform a further Express delivery service within the authorised hours. The second fee must be prepaid either by the sender of the first service or by the sender of the reply or further service.

When a reply or further service is required by the sender, the words "Wait Reply" or "Wait Further Service" must be written above the address of the letter or parcel, and the messenger will be allowed to wait 10 minutes. For a longer wait 2d. is charged for each 15 minutes.

In any case where a special conveyance is required the whole charge for such conveyance should, if possible, be prepaid in postage stamps affixed to the Letter or Parcel, but any deficiency will be demanded from the addressee. The person so named *must*, before payment can be made, sign the receipt at the foot of the Order, and *must* also fill in the name of the Office of Payment, if that has not been already done.

IMPERIAL AND FOREIGN PARCEL POST.

PACKING.

Parcels for places abroad should be substantially packed with due regard to length of journey, conditions of transit, climate, etc., *e.g.*, cardboard or ordinary brown paper is not, in general, sufficient packing for a parcel sent to a place abroad. For some countries special kinds of packing are required by the Post Offices of transit or of destination.

CUSTOMS CHARGES ABROAD.

Any parcel is liable to be opened for Customs examination abroad; and the contents are subject to Customs Duty according to the laws of the country of destination. The Postmaster General can give no information as to the Customs tariff of particular countries, but if the sender desires an indication of the amount of duty likely to be levied, he should apply to the Department of Overseas Trade, 35 Old Queen Street, Westminster, London, S.W.1, and 73 Basinghall Street, London, E.C. 2.

CUSTOMS DECLARATION AND DESPATCH NOTE.

The sender of a parcel is required to make, for Customs purposes abroad—upon a special form or forms which can be obtained at a Post Office—an accurate declaration of the nature and value of the contents and other particulars. The form or forms should be filled up in ink. *Undervaluation of the contents of a parcel or failure to describe them fully may result in seizure of the parcel, or in the imposition of a heavy fine.* The net weight or quantity of the different kinds of articles contained in a parcel should be separately stated.

For postage rates and for particulars of the Services to individual countries, enquire at any Money Order Office. See also Table at pages 664 to 731 of the *Post Office Guide*.

AIR MAIL SERVICES.

Particulars of the services, showing *Air Routes, Countries served, fees payable*, etc., are given in the current Air Mail Leaflet, of which a copy can be obtained by applying at any Post Office.

The general regulations of the Air Mail are given hereunder:—

LETTER AIR MAILS.

1. *Any kind of letter packet may be sent by Air Mail*, that is, letters, postcards, printed papers and commercial papers, and samples. An Air Mail packet may be posted in any of the ordinary ways of posting.

It can be accepted for registration (exception: Air Mail letters, etc., for Colombia), but *insurance* is limited to letters and boxes for Holland and Switzerland. The ordinary arrangements for *Express delivery* and the use of the green label system (for articles liable to Customs duty) apply.

2. A special Blue Air Mail label should be affixed to the top left hand corner of every Air Mail packet. These labels may be obtained, free of charge, at any Head or Branch Post Office and at certain others.

If an Air Mail label is not available the packet should be clearly marked "By Air Mail"; but the use of a label will expedite the treatment of the packet.

3. Air Mail correspondence must be prepaid in stamps to the full value of the combined postage and Air Fee. If the proper fees are not paid the packet cannot be sent by Air Mail.

PARCEL AIR MAILS.

4. Except where otherwise indicated hereinafter, the *General Regulations of the Imperial and Foreign Parcel Post* apply, e.g., as regards maximum weight and dimensions, Customs Declarations and Despatch Notes, Compensation, etc., see pages 74-88 and 664 to 731 of the *Post Office Guide*.

5. *Accepting Offices*.—Air parcels may be posted at any Post Office which accepts parcels for places abroad. Air parcels *exceeding* 11 lb. in weight are accepted at the same Offices and under the same conditions as similar parcels for transmission by ordinary post.

6. The sender of an Air parcel must affix an "Air Mail" label to the address label of the parcel and to the relative Despatch Note, and should write the words "Air Mail" conspicuously on the cover of the parcel. He must also prepay, in the usual way, the appropriate inclusive rate of postage, see pages 664 to 731 of the *Post Office Guide*.

7. In addition to rapid transit by Air service, an Air parcel is usually given speedy Customs clearance abroad. It is important, in order that these advantages may not be thrown away, that the relative Despatch Note and Customs Declarations should be very carefully completed in accordance with the general regulations.

8. Air parcels cannot be insured, except in the case of those for Holland and Switzerland.

9. Particulars of the Air Parcel Services available are given in the Air Mail leaflet. The latest times of posting can be ascertained by enquiry at the local Head Post Office.

Note.—During the winter certain of the services are either suspended or offer no appreciable advantage for mails from Great Britain—see current Air Mail leaflet.

POST OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict., cap. 14, intituled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof*," and are open daily during the hours appointed for Money Order business for the receipt of deposits of one shilling, or any number of shillings up to an aggregate of £500 in any year. There is no limit, however, to the amount which may stand to the credit of an account.

Deposits are received of any sums not less than a shilling, and when the deposit reaches £1, interest at the rate of 6d. a year on each pound deposited is given.

Any sum not exceeding £3 can be withdrawn without notice at any Post Office Savings Bank transacting Savings Bank business.

NATIONAL SAVINGS CERTIFICATES.

National Savings Certificates (formerly known as War Savings Certificates) may be purchased at most Post Offices. The purchase price is 16s. for each Certificate, which is repayable at any time on application together with any interest which has accrued. A single Certificate becomes worth £1 at the end of six years, and £1 4s. at the end of ten years.

For further particulars apply at a Post Office.

PURCHASE OF GOVERNMENT STOCKS.

Any depositor in the Post Office Savings Bank may invest a sum in Government Stocks at the current price of the day, and may sell at the same. The commission for buying and selling is, not exceeding £10, 1s.; exceeding £10 and not exceeding £25, 1s. 6d.; exceeding £25 and not exceeding £50, 2s. 6d.; exceeding £50 and not exceeding £75, 3s. 6d.; exceeding £75 and not exceeding £100, 4s. 6d.; with a further charge of 1s. in respect of every £50 or part of £50 above £100.

Immediate Annuities from £1 up to £100 may be purchased through the agency of the Post Office Savings Bank on the life of any person over 5 years of age. Husband and wife may each purchase an Annuity up to £100. Any two persons may purchase an Immediate Annuity on their joint lives, with or without continuance to the survivor.

For further particulars apply at any Post Office Savings Bank.

Post Office Telegraphs.

INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 1s. (1s. 6d. for Telegrams addressed to the Irish Free State) for the first 12 words, and 1d. for each additional word. Addresses are charged for. Telegrams handed in on Sundays are charged 6d. extra.

A Telegram can be repeated back from Office to Office throughout the course of transmission if the Sender desires to adopt this precaution against error. The charge for repetition (which must be paid when the Telegram is handed in) is one-half the charge for transmission. If containing mercantile quotations or code words a Telegram ought always to be repeated. If the receiver of a Telegram doubts its accuracy he may have the whole or any part of it repeated without charge so long as the original telegram form is on hand at the office of origin.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of fourpence per copy beyond the first. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$ counts as one word, and 109 $\frac{1}{2}$ as two.

All Telegrams for delivery at addresses within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a telegram at any address beyond the limits of free delivery is at the rate of 6d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

NIGHT TELEGRAPH LETTERS.

Telegraph Letters are now accepted up to 12 midnight at the Head Office to obtain delivery by post the following morning in towns which have a night telegraph service. They may also be posted within the town area, but should be posted so as to reach the Head Office by midnight. The rate is 1s. (1s. 6d. for an address in the Irish Free State) for 36 words or less, and 1d. for every three words beyond 36.

REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a fee of £2 a year, dated from the day of registration. The address must consist of two words, one of which is to be the town or place of delivery.

An abbreviated address, for use solely in connection with telegrams from abroad, is given free of charge to firms engaged in business in connection with which telegrams are received from overseas.

DELIVERY BY TELEPHONE.

In most cases subscribers to exchanges may arrange to have their telegrams delivered by telephone instead of messenger without further charge.

FIXED TIME TRUNK CALLS.

Telephone subscribers can book trunk calls to be effected at or about a specified time subject to reasonable prior notice and the payment of a special fee.

For a single "fixed time" call an extra fee amounting to 25 per cent. of the normal fee for a call of three minutes' duration (with a minimum of 3d.) will be charged in respect of each effective call whether of three or six minutes' duration or longer.

TRANSATLANTIC AND CONTINENTAL TELEPHONE SERVICE.

Telephone Service is available between all parts of Great Britain and France, Belgium, Germany, Czecho-Slovakia, Danzig, Denmark, Gibraltar, Vatican State, Holland, Austria, Hungary, Luxemburg, Norway, Portugal, Spain, Sweden, Switzerland, Latvia, and parts of Italy, Finland, Estonia, and Lithuania.

Calls may be passed at reduced rates between 7 p.m. and 8 a.m.

The following are examples of the day and night charges to Continental cities from Aberdeen:—

	8 a.m.—7 p.m.	7 p.m.—8 a.m.

Milan	13/-	7/9
Gibraltar	21/3	12/9

Calls may now be passed to most parts of the American Continent at all hours of the day and night.

The charges for all Transatlantic and Continental calls or the telephone numbers of Continental subscribers may be obtained by asking the Exchange for "Enquiry." Other information may be obtained from the Head Post Office ('Phone Official 49), or from the Telephone District Manager's Office, Bon-Accord Street.

PERSONAL CALLS.

For a small extra fee, calls may now be booked to a particular person on both the Inland and Continental trunk services.

After 2 p.m. the "Personal" fee to all places in Great Britain is 6d.

If the required subscriber is obtained, but not the required person, the "Personal" fee only is payable.

Further information regarding the Telephone Service will be found in the preface to the *Telephone Directory*.
